

推荐信 Recommendation Letter

尊敬的CUHK-Shenzhen医学院硕博项目老师,

你们好!

我是夏静波,任职于华中农业大学信息学院人工智能系,曾担任姚岭君同学的任课教师,现写信推荐该同学申请您处开设的硕博项目。

姚岭君就读于我校生物信息学专业,在生物信息专业培养上已完成本科学位所要求的所有课程。在我讲授的《生物数据挖掘与知识发现概论》课程中,该同学对超过20万篇covid文献进行了细致的文本挖掘,探讨了突变对疫病的影响途径和可能的分子机理。

该生具备继续攻读学位的潜质和强烈意愿,特此推荐。

P.S.

To my best knowledge, Mr. Lingjun Yao has obtained solid training in bioinformatics. He is strongly motivated in science-related career development. I suggest him to go build himself in an academic track.
